

Misinto, July 2016

NOVAVISION,

Confirms that it shall be present at the most important fairs of the Medical-Esthetical sector.

Two events abroad will feature the **NOVA CLINICAL** products, **NOVAESTETYC**, **IO' SKINCARE**, a look into the future of innovation , design and technology .

Also this year NOVAVISION will participate in the most important fairs in the medical international scene , confirming the continuing desire of innovation, orientation to the future and its new technologies.

In a scene of constant innovation as ours, the company's devices with its **NOVA CLINICAL** brand, **NOVAESTETYC**, **IO' SKINCARE**, will be featured in exhibitions that serve to present the innovations of today and the inventions of tomorrow.

The program will open with the participation in AMWC Medical World Congress on 3/4/5 November 2016 in Medellin Colombia, Latin America, where **NOVA CLINICAL** and **NOVAESTETYC** will present innovations for the sector.

Dusseldorf will later host from November 17th until November 14th the famous international kermesse event dedicated to the world of medicine where **NOVA CLINICAL**, **NOVAESTETYC**, **IO' SKINCARE**, will participate fully with a stand dedicated to the evolution of the aesthetic medical world presenting a cutting-edge device designed as a solution to all women's aesthetic desires and it won't stop there.

NOVA CLINICAL, **NOVAESTETYC**, **IO' SKINCARE**, are synonymous with innovation; each product, technology is designed as medical solutions that will accompany you for a lifetime.
